### Meeting Your Group at the Airport:

- **Do not check in for the international flight.** You must meet your group leaders at the meeting place. Your leaders will review your bags and the group will check in together.
- Your group leaders will be at the terminal to meet you. Look for an Experiment sign and make yourself visible. If you have trouble finding your group, call our office at 1-800-345-2929.
- Make sure your cell phone is fully charged before meeting your group. There are limited locations to charge cell phones at the airport, so limit cell phone use while traveling to meet the group.
- Bring a snack and drink to have while you are waiting for your group since food is not always available outside security.

### Luggage and Packing:

- Experimenters are limited to 1 pieces of luggage and 1 carry-on personal item. Any student with more than 2 pieces of luggage will be required to send the excess home from the group meeting place at the student's expense.
- For more information on your specific program's packing list, please view the packing list on the Planning Documents page: <https://www.experiment.org/planning-documents-maret/>
